DID YOU KNOW . . .

That in 1898 a 50-foot tower was erected by David Hurley, his sons, and neighbors at the height of his farm land. On a clear day with the aid of binoculars, Portland Harbor could be seen from the top.

° ° ° ° °

It was a pleasant day at the Hurley Farm, Bald Hill Road, when carriages would drive into the yard on their way to the tower. They were always certain to enjoy a pleasant chat with David and a friendly cup of tea with Margretta.

° ° ° ° °

That in the year 1886, the Town of Albany paid \$140 bounty on seven wolves killed!

° ° ° ° °

That the support of schools for the year 1886 was \$387.16; for the year 1887 it was \$252.16.

° ° ° ° °

That the highway maintenance from April 6, 1886 to April 14, 1887, was \$301.91.

ALBANY CEMETERY ASSOCIATION

May 8. The Albany Cemetery Association trustees met at Eleanor Wilson's for their first meeting of the year. It was decided to send invitations again this year for Community Clean-up and to write to Mr. Frank Berry of Wonalancet to see if he would mow the cemetery before Memorial Day, as it is too far away for community work.

We decided to start cleaning up the cemetery in the Mason field and one on Bald Hill.

In answer to Bob Smith's offer, we decided to remove the old fence and to wait until such time as we could finance building a new one and at that time we would be glad of any assistance they would care to give.

We also agreed to try to remove the paper from the posts at the Moody Cemetery.

Cards were sent out for community clean-up for May 24 at Moody Cemetery, May 25 at Canada Street and May 26 at High Street.

May 24. The first evening of community clean-up, quite a number of people responded but the turnout was not quite as good as last year. However, we accomplished quite a bit of mowing, raking and removing of paper from the fence posts. We had only one mower so it was decided to hire Urban Lyman to finish mowing and cleaning up of bushes on May 25. Our thanks go to Mr. and Mrs. Richard Drouin and son, Mr. and Mrs. Stanley Woolley, Mr. Fred Brown, Jamie Brown, Alpheus Perry, George Morrill, Robert, Paul and Bobby Bell, Bill Sawyer, Urban Lyman, Eleanor Wilson and Jessie Lane. The children helped by carrying away the leaves.

May 25. At Canada Street, Mr. and Mrs. Joseph Wilson mowed and raked in the morning as Mr. Wilson was not able to join us in the evening. Again our thanks go to Mr. and Mrs. Victor Hammond, Mr. and Mrs. David Johnston, Mr. and Mrs. Clifford Pratt, Ford Brown, Jessie Lane, Eleanor, Johanna and Sue Wilson. Without the help of these people, we would not have had our cemeteries presentable for Memorial Day.

May 26. High Street was again rained out and Mr. Lyman was hired to mow and rake it in time for Memorial Day. In the morning, two of the trustees purchased plants and placed them in the cemeteries for all unmarked and unknown graves. We have Mr. Pratt to thank for the buckets.

June 2. Cards of thanks were sent out to all who helped in the clean-up.

June 16. The committee met at Jessie Lane's but we were not able to meet Mr. Berry at Wonalancet because of Jessie Lane's trip to California and because of an accident on the way home from there she was hospitalized. We were not able to carry out all our plans because of this but we had the cemeteries mowed again before July 4.

Mr. Hammond requested a load of gravel for Canada Street Cemetery entrance and Mr. Sanborn was to deliver it and Victor offered to spread the gravel but for some reason this was not delivered. This should be followed up and attended to this year.

July 24. Twenty-four cement posts were made and set by Urban Lyman and Cliff Pratt at High Street Cemetery, marking the lot spaces on the north side of the driveway. We also hired Urban Lyman to mow and pull blueberry bushes in Moody Cemetery and to mow the High Street Cemetery in September.

In August, the northern corner of Passaconaway Cemetery was cleaned and bushes and roots removed so that it could be mowed by power mower. Mr. Gienty of the U. S. Forest Service notified Mr. Pratt that he was adding enough space on the east side of the cemetery to balance the offset made by the position of the Mayhew enclosed lot.

We were informed that the cemetery on Bald Hill and in the Mason field were private cemeteries and not the town's responsibility. To get legal council on it before spending town funds.

In March, 1961, three trustees will be elected by vote of the town at the regular Town Meeting.

Respectfully submitted,

Eleanor M. Wilson, trustee

Clifford E. Pratt, trustee

PROGRAM OF THE WHITE MOUNTAINS REGION ASSOCIATION

The White Mountains Region Association as a voluntary non-profit organization, receives support from the communities of the Region, the state and from individual members so that a program of cooperative promotion and development of northern New Hampshire may be carried on.

The Association publishes and distributes six different folders a year advertising the many advantages of the Region. It receives and carefully answers about 6,000 letters per year from people interested in a vacation in the North Country. The value of this single service cannot be over-emphasized. Recent surveys have shown that the tourists attracted by this mailing service have spent many hundreds of thousands of dollars in the Region. The Association sponsors the annual fall foliage tours, and represents the Region at national travel shows.

Through its board of directors, it is able to speak for the Region's needs at state and national hearings and at important meetings within the Region. It maintains a news release service to local newspapers to help inform the citizens of the North Country of worthwhile activities and economic trends.

This winter the Association is running a cooperative ad program with the chambers of commerce in the ski areas to promote skiing in the White Mountains. It cooperates with private promotional groups, local chambers of commerce, and with the state promotional agencies. It promotes the sale of real estate through the mailing of real-estate purchase bulletins to real estate brokers. It conducts labor surveys for groups interested in industrial development, maintains an award program for the 4-H Clubs, and promotes agriculture within the Region.

In uninterrupted service since 1938, it has helped establish the White Mountains Region as a vacation center as fine as any in the world and contributed in many other ways to the economic betterment of all forty-six communities in northern New Hampshire.
